## Keeping Up With Technology

### *Rochester Works to Install Emergency System*

***Mattapoisett and Marion Will Also Be Upgraded Next Year***

Despite its rural setting and seeming distance from all things modern, the town of Rochester will soon be following its neighbors by moving into the technological age with new advancements in its telephone system and Police/Communications Center.

Advancements to bring the town's telephone network into compliance with state regulations for a new Enhanced 911 (E-911) system began over a year ago when then-Selectman Harry A. Brown, Jr. began working to compile a complete list of addresses and telephone numbers of the numerous residences and businesses throughout town.

He found it wasn't an easy task. Many homes either were not property numbered or didn't match records on file at Town Hall.

"Some residents have been using their lot numbers instead of a street address," he said during a recent meeting with the Board of Selectmen. "So I used both the (New England) telephone book and the (blue) Women's Club phone book to compile a list of all addresses and numbers in town. Presently, I've got it about 95 percent completed."

Once compiled, the list will be used to identify the locations of every residential and commercial building in town which will be entered into the E-911 computer data bank to provide emergency service personnel with pertinent information about the location and its inhabitants.

"Once we have all the addresses completed, we'll be asking residents to fill out a form so that we can display information on screen as part of the E-911 system," Mr. Brown said. "We need to know if anyone is blind, hearing-impaired, disabled, and the like. I'm also checking into whether we will be able to include information about guard dogs at the site so police and fire officials are aware of this before going on a call."

The E-911 system will answer emergency calls and immediately display the caller's address along with other information including the occupant's medical background and any special needs they might have.

So far, most residents have been cooperative in helping to meet the state requirements under Chapter 336 of the Acts of 1992 which was passed and became law on January 7, 1993. The law specifically mandates that all residential and commercial buildings be clearly numbered with a street address. Rochester's by-laws also include a similar requirement.

Mr. Brown has suggested that people post their address number on both sides of their mailbox or on a marking post directly in front of their property should their mailbox be on the opposite side of the road.

"I've discussed this with the (Rochester) Post Office and we've agreed to give everyone until January 31, 1994 to number their houses," he said. "After that date, mail won't be delivered until the house is clearly marked."

Although Mattapoisett and Marion have had a basic 911 system in place for some time, both will also be upgrading to the new state-required E-911 system sometime before the summer of 1994.

According to Marion Police Chief Brian J. Scott, his town is essentially prepared for the changeover and would only need to add some equipment to the Police Department's existing data terminals to relay the address and pertinent information of the caller.

"We're in pretty decent shape right now as far as having all our houses clearly marked," he said. "Of course new equipment will need to be installed to accommodate the Enhanced 911 system ... and the town will have to determine what type of information will be displayed on the terminal."

The E-911 system will certainly be a marked improvement over their basic 911 system which simply re-routes an emergency call (when a person dials 9-1-1) to the local police station for response. By making the E-911 system a statewide requirement, it will assist police in locating those who are seriously

injured and/or unable to speak to the dispatcher. The caller's address and vital information will immediately pop up on the dispatcher's computer screen and be passed along to police or fire personnel.

"The plan is to have all cities and towns (in the state) on the E-911 system by the end of 1994," said Chief Scott.

Mr. Brown said his only concern now was that any further delay in getting every residence and business in Rochester numbered could push back the town's chances of installing the new E-911 system by as much as a year. At the present time, the system should be up and running by the summer of 1994 and he doesn't want to jeopardize that opportunity.

"We just want to let people know that this is for their benefit," he said. "In the event of an emergency, both police and fire officials have to be able to find their house quickly."

All residents in Marion, Mattapoisett and Rochester are urged to make sure their business or residence is clearly marked with an address number which is visible from the road which it faces. The E-911 system will certainly be a viable and important benefit to residents of all three towns, and everyone's cooperation would be greatly appreciated. For further information on the E-911 system, please contact your local Police Department.

present were Selectman Paul E. Lambalot, Selectman Daniel O. Mahoney, and Executive Secretary Carol Adams.

After approving the minutes of the October 12 meeting, the board signed payrolls, bills, licenses and correspondence for the week. The board also approved an authorization for local spending waivers and granted a request from ComGas to obstruct and disturb the surface of 10 Deep Woods Drive for the purpose of installing a new gas service.

Chairman DeCosta then noted the following meetings scheduled throughout the week:

• Thursday, October 21, 7:00 pm — Marion/Mattapoisett/Rochester Housing Co-Op Meeting at the Marion Town House.

• Monday, October 25, 10:00 am — Chairman DeCosta and Loss Prevention Representative will meet in Town Hall.

• Wednesday and Thursday, October 27 and 28 — Selectman Lambalot will be meeting with the ORR School Repair Committee to interview architectural

• Superintendent-Director David J. Ferreira of the Old Colony Regional Vocational Technical High School next submitted correspondence regarding the "Emergency Regulations for Selecting a Municipal Collective Bargaining Representative in the Regional School Districts." Mr. Ferreira assured the board that Old Colony will comply with the regulations and cooperate with area communities to ensure their participation in future collective bargaining activities.

Chairman DeCosta noted that the district's contracts are up in 1995 and a representative must be selected before the district enters contract negotiations. Both Selectman Mahoney and Selectman Lambalot noted that this matter was discussed at the Tri-Town Selectmen's Meeting last week at to selecting a representative for the ORR School District. The chairpeople of all the regional towns will have to meet to select a representative for each district school committee.

• Carol A. Ditata, General Manager of Continental Cablevision, sent the board a letter regarding the issue of addressable and non-addressable cable converter boxes now being used by the company. According to Ms. Ditata, the system would need to be reconfigured and redesigned in order to comply with the FCC's buy-through provisions. As a result, a proposed system rebuild would bring the entire system into compliance. Selectman Lambalot asked that a

meeting be set up with the town's Cable Advisory Committee to discuss this matter further.

Under the Executive Secretary's Report, Ms. Adams noted that members of the town's School Committee had suggested holding a meeting on Monday, November 8 at Old Hammondtown School to discuss the reestablishing of a new School Building Needs Committee. All three members of the Board of Selectmen said they would attend the meeting as scheduled for that date.

Ms. Adams next noted that Tree Warden Marshall Pryce wanted to inform town residents that beginning next week he will be planting trees along various roads throughout town. Some 100 odd varieties including oaks, maples, elms, and flowering cherry trees will be planted throughout Mattapoisett within the next few weeks. An estimated $9,000 in Federal Emergency Management Agency (FEMA) funds were allocated to the town to replace trees which had been damaged or destroyed in Hurricane Bob.

As per the directives of the FEMA disbursement, Mr. Pryce has been granted an extension through October 30 to plant the 12-foot saplings. Bids on the planting job were to have been solicited and awarded this past week.

Chairman DeCosta then noted that his fellow board members are invited to attend the Veteran's Day Exercises to be held on Thursday, November 11 at Old Hammondtown School.

A scheduled 7:30 pm appointment with Earle Sylvia was not held as Mr. Sylvia did not attend. Chairman DeCosta, however, noted that Mr. Sylvia has made some wooden clay pot hangables on which to mount pots with flowers and/or plants on the shade

sheds at both Ned's Point and the bathing beach. The wooden hangers are equipped to mount standard pots and are to be given to the town by Mr. Sylvia to assist in improving these town landmarks.

The board then agreed to go into Executive Session at 7:30 pm to discuss pending matters and strategy regarding collective bargaining negotiations between the town and town employees, and would come out of the session only to adjourn for the evening.

of the October 12, 1993 meeting and then met with Finance Committee (FinCom) Chairman Carl Ribeiro. Mr. Pickles provided the board with some background information for the subject at hand — the Education Reform Act.

Mr. Pickles explained that Superintendent Joan Walsh and Associate Superintendent for Business Andrew J. Santos met with the School Committee, Finance Committee and himself on October 18. Mr. Pickles said it became evident during this meeting that the town will fall short in its local efforts to support Sippican School. The Department of Education and Department of Revenue, in formulating state support to Marion, discounted the town's share of support not included in the budget such as insurance and retirement.

In response, Mr. Ribeiro requested the board to sign a waiver form indicating a request for review and sent letters to Rep. William Straus, Sen. Marc Pacheco, Rep. Mark Roosevelt, and Rep. Charles Decas, expressing their concerns.

"We believe that the Department of Education and the Department of Revenue have agreed on a policy for calculating the municipal share of educational services that will result in a negative impact on local school spending," read a portion of the letter. "The Departments of Education and Revenue are using arbitrary figures to estimate town expenditures for FY '94. We feel that the Town should be credited to full value of actual expenditures listed on schedule 1. The Town of Marion is being allowed $140,451 for municipal expenditures for FY '94, when, in fact, the Town's actual expenditures will be $219,000. The Town is not being allowed credit for $78,549 in actual

expenditures for education. We feel this arbitrary decision by the Departments of Education and Revenue will negatively impact the Town's budget process."

Mr. Pickles informed the board that the town may not be eligible for the waiver, yet opening dialogue may be beneficial since the state's new formula for funding will hurt this and other municipalities similarly. Mr. Pickles explained that because of the town's small population and large number of households above the state's mean income, the per capita income now figured into the formula will hurt the town. In terms of support for education, Mr. Pickles also mentioned the need for an adjustment in the tax rate to ease the town's predicament.

The board then unanimously agreed to sign the waiver and the letters as presented.

At 7:30 pm, the board scheduled a hearing with Paul Ponte regarding a hearing to determine the outcome of his mooring permit. Mr. Ponte, at that time, was not present though he had been notified of the hearing via certified mail. Harbormaster George Jennings said the mooring was unoccupied for several years, had not been inspected for many years (a false inspection was submitted), and Mr. Ponte failed to act when his mooring chain sank.

Selectman Schaefer added that Mr. Ponte met with the board in July and requested information under the Freedom of Information Act and the costs involved. At that time, Mr. Ponte said he would get back to the board and send a check for $1,095 which he owed to the town. Having received no response from Mr. Ponte, the board unanimously voted to revoke Mr. Ponte's permit and remove the mooring. Shortly thereafter, Mr. Ponte arrived. Mr. Ponte denied the accusations against him,

and adamantly stated that no regulations were violated according to the town's by-laws for permits and commercial moorings. Mr. Ponte also stated that he was not notified when his line sank. Selectman Schaefer told Mr. Ponte his next step would be to pursue this matter with the Board of Appeals. "It is your right and we understand," she told him. Mr. Ponte said he would pursue this matter further.

Incoming correspondence for the week included:

• Department of Revenue sent a letter stating the Town of Marion will receive as of July 1, 1993 some $336,221 of available funds or "Free Cash."

• John T. Mahoney III wrote regarding the new subdivision sewerage on Delano Road. The board will take this matter under advisement.

• The Division of Marine Fisheries submitted information on Propagation Permit No. 6288-93 allowing the town to seed and transplant shellfish.

• Joseph A. Fontaine sent a letter of

• Blaine Butterfield requested a second deputy Herring Inspector.

There being no further matters to discuss, the board adjourned for the evening at 8:06 pm.

## Rochester Selectmen's Meeting

*October 18, 1993*

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, October 18 at 7:00 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Michael Murphy and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the October 12 meeting, Chairwoman Hawkes called upon Harry A. Brown, Jr. for a 7:00 appointment to give the board an update on the pending E-911 emergency telephone system to be installed throughout town. Mr. Brown noted that he met with state officials last week and was disappointed to learn that the town was only 43 percent complete in updating its address and phone number guide. (See related feature story in this issue.)

At 7:15 pm Bruce Maksy came before the

board for a clarification of the ownership of Parlowtown Road. Mr. Maksy noted that the road is closed to public access, yet he and others own property further down the road and need to travel along it as a right of way.

"We've discontinued the road from the Gun Club to the Marion town line," said Selectman Hughes. "It's excluded as a town road so we don't have to do any maintenance or work on it."

Chairwoman Hawkes said the road had been voted to be discontinued by Town Meeting and was approved by the Plymouth County Commissioners.

Mr. Maksy wanted to know whether he has a legal right of way to pass along the road. Selectman Hughes said in most cases, a right of way would be deeded him when he bought his property. "If your deed grants you a right of way across that section, you have every right to use that property," he said.

Thomas Gayoski, Jr., who also owns property in the area, noted that the road was discontinued but still remains the property of the town and was never deeded to the property owners. "It was discontinued, but the town still owns the road," he said. "It was never sold or given to the residents who live there."

Mr. Maksy asked the board to research this matter for him and determine whether, in fact, the town still owns the road as he has run into difficulty in gaining access to his own property. "The road is gated off and I was told it was private property," he said. "I just want to know if the town still owns the road and, if so, I would like a letter from the board to that effect."

As the board agreed that the town is not interested in purchasing the property, Selectman Hughes asked that a letter be sent to them relaying this fact.

• Copy of a legal opinion from Town Counsels Kopelman and Paige, P.C. regarding a request from Building Inspector Robert C. Francis as

to whether the town's by-laws authorize special permits for multi-family dwelling conversions. According to Judith C. Cutler of the firm, the authorization can be given by simply substituting the phrase "a single-family dwelling" with "an existing single-family dwelling." Another option would be to specify the number of years the dwelling has existed before being granted a special permit.

• Building Inspector Robert C. Francis sent a copy of his letter to Anna and Lawrence Eich regarding their complaint against use of a saw mill by Donald Boch of 22 Stuart Road. Mr. Francis noted that after researching the matter and seeking legal advice from Town Counsels, he has determined that Mr. Boch's land is zoned residential/agricultural and he has applied for and been granted permission for this use under Massachusetts General Laws, Chapter 61.

Mr. Francis noted that the primary use of the land is for the growing and harvesting of trees and the saw mill is part of that use. In regards to their noise complaint, Mr. Francis said that since the town by-laws do not put limitations on noise and hours of operation, this would be a matter for private civil action.

Under Old Business, Chairwoman Hawkes noted they had received a response from Attorney General Scott Harshbarger's office regarding a request from a resident as to his rights to a private slip in Marion Harbor. According to the Attorney General's office, this would be a matter to be interpreted and decided by Town Counsel. The board agreed, however, that this wasn't a matter that deemed spending town legal expenses on and would send a letter to Mr. Peters, the party in question, advising him of this fact.

Chairwoman Hawkes advised her fellow Selectmen that she had asked an auctioneer about putting the property in the town's possession on Burgess Avenue up for auction. Selectman Hughes noted that the town could run its own auction of the land in question, but wanted to wait to make sure there was a right of way to the parcel before putting it out to sale. The board agreed to hold this matter for another week.

Selectman Murphy asked that the board seek a recommendation from Town Counsel regarding their setting a precedent by allowing monies to be spent on items other than those granted via Town Meeting. Mr. Murphy was concerned that Police Chief Walter Denham last week told the board that he used money that had been appropriated to purchase an NCIC-compatible data terminal to buy an IBM PC, which he was told would also be compatible with the NCIC system. Since this is not the case, Mr. Murphy wanted to clarify the matter with Town Counsel.

Selectman Hughes asked that anyone interested in serving out William Watling's term as Cemetery Commissioner (through April, 1994) should contact the Board of Selectmen, c/o Town Hall.

The board then took up the matter of appointing a Dog Officer in the wake of Thomas Gayoski's passing. "I think we should appoint Tom Medeiros, as he's the senior Assistant Dog Officer," Selectman Hughes said. "As it stands now, Thomas Gayoski, Jr. has agreed to remain an Assistant Dog Officer through April (1994). He will continue caring for the dogs and be responsible for the disposal of dead animals. After that, I think we should ask the New Bedford Animal Rescue League to offer us a proposal to assist in disposing of animals."

Selectman Hughes asked that all three current dog officers — Thomas Gayoski, Jr., Tom Medeiros, and Kathleen Massey — come before the board along with a representative of the New Bedford Animal Rescue League to discuss this matter further.

With that in place, the board then unanimously agreed to appoint Tom Medeiros as Dog Officer to complete Mr. Gayoski's term through April, 1994.

Selectman Hughes then asked for residents to assist in preparing for the holiday season by considering donating either money or lights for the town's Christmas tree as they are in dire need of new ones. Donations can be sent to the Board of Selectmen, Town Hall, c/o Christmas Decorations.

The board received a request from the Plumb Memorial Library to run an aerial cable from an existing pole near the building to upgrade the facility's telephone service. The improvement is part of the library's ongoing advancements and will contribute to their upgrading to an online computer cataloging system. As there is no construction work involved, a pole hearing is not required for this process, only the approval of the Board of Selectmen. The board unanimously granted the library's request.

There being no further matters to come before the board, they voted to adjourn for the evening at 8:03 pm.

## Letters to the Editor

*[Editor's Note: This is an open letter addressed to the senior community members of Marion.]*

To the Editor:

My name is Bill Brennan. I have been appointed a member of the School Improvement Council by the principal of the Sippican Elementary School. My task on the council is to represent the views of senior citizens in the community.

The council was established in accord with the provisions of the new Massachusetts Education Reform Act. The council assists the Sippican School principal by reviewing the school budget, helping to prepare a school improvement program, and by helping to identify the educational needs of Sippican students.

Your thoughts on these subjects and on how I may better represent the views of seniors to the council are greatly needed and will be warmly received.

I will be pleased to discuss all aspects of the work of the council with any senior. I would also be pleased to have your comments on how I may best

To the Editor:

We at CLEAN, Inc. have now been collecting, sorting, and most of all putting in a minimum of 15 hours per weekend on Newspaper Recycling Weekends. This recycling effort has been taking place for almost four years now and the five main and constant workers are extremely tired as well as deeply discouraged. We open the Newspaper Recycling to Rochester as well as neighboring towns and have received *little to no help* from outside residents as well as our local town residents in the way of working labor.

We have repeatedly asked for help whether it be a half hour or as many hours as you can give but the response keeps getting less and less. We have now reached the point where we are getting extremely bitter over the lack of assistance. We all work 40+ hours a week and are willing to give up our weekends only if others are also willing. *Unless we get a minimum of 30 volunteers, there will not be*

They say one person can make a difference and we have really tried, but we can't do it alone. We have held meetings and asked for input on projects of interest to others as well as more productive ways to run our recycling and cleaning efforts; the only thing I personally feel came out of these meetings were people coming up with ideas and committees they said they would like to do and take control of that never materialized and yet we are the ones being asked why.

We may sound angry and that is because we are tired of being abused. There is not one of us at

CLEAN, Inc., be it volunteer, board member, or officer, who receives any type of monetary compensation for the time and energy we put in, nor do we want any, but we would like people to realize that the same people can't do it all.

My opinion is that almost everyone who has brought newspapers to be recycled should or could give at least one hour per year to help! I would like to thank those who have helped through the years whenever they could and say that we deeply appreciate your time and effort.

If there is anyone who thinks that there is a solution to this problem, maybe you could tell us, because we have begged and pleaded for the last time.

Either there is a new attitude taken by the public or you will now have to talk to (the Selectmen) and see if they can help out because, as stated earlier in this correspondence, we need volunteers and a minimum of thirty volunteers per Newspaper Recycling Drive is what is required or there will not be another held by CLEAN, Inc.

The volunteers will need to call as soon as possible with a definite number of hours they will work, what hours they will work, as well as a name and phone number we can reach them at to verify because so very often people tell us they will help

and then they never show up or even attempt to call and let us know they can't.

But many find the time to call us to complain that we don't do enough for them to make their life easier in regards to recycling. We enjoy and want to continue collecting and recycling newspaper, as well as help our planet, so maybe you will too and will find a way to give some time.

## Annual Mattapoisett Halloween Parade

The time is here again to prepare for the Annual Parade and Costume Contest in Mattapoisett. We ask that you again help us make this event the large success that it has been in past years. We hope that you will be generous and contribute to the donation cans that will be distributed to local businesses throughout town. You can also contribute by sending donations to the Mattapoisett Halloween Fund, c/o the Mattapoisett Police Department.

As usual, candy, entertainment and prizes will be awarded for the best costumes. You must be a Mattapoisett resident to win a prize, but everyone is invited to participate in the parade and enjoy some of the treats. Let's all help and pitch in to make this year's event a success.

## Halloween Parade in Rochester

This year Rochester will hold its own Halloween Parade on Sunday, October 31 at 1:00 pm starting at Town Hall and proceeding to the Women's Club facility on Route 105. The event will feature prizes, games and refreshments for all those involved. This first-ever parade is sponsored by the Rochester Lions Club, the Rochester Women's Club, Friends for Fun, and the Rochester Police Department. If you are interested in baking or

## Mattapoisett Seniors to Meet on November 4

The Mattapoisett Seniors Club will hold its next meeting on November 4 in St. Anthony's Church Hall instead of on November 11, the holiday.

At 12:00 noon, a soup and sandwich luncheon will be served. The monthly business meeting will be followed by a games program and the awarding of prizes.

On December 9 the club's annual Christmas festivities will be held at a place to be announced. The chairwomen will be Miss Florence Huetteman and Miss Mary C. Doyle. Members are reminded that dues should be paid at the November meeting.

## Sippican Historical Museum Closed for Winter

The meeting will offer the MBA's members and supporters a chance to mingle and chat at 7:00 pm as refreshments are served. The business meeting will commence at 7:30 pm to allow everyone to reacquaint and meet. The Town House door on the front left will be open and the conference room is located inside to the left rear of the building. All boaters, mates and crew members are welcome to attend.

### Mattapoisett Friends to Hold Auction

Paper collectibles, rich in historical items from southeastern Massachusetts, will be auctioned off on October 30 for the benefit of the Mattapoisett Friends Meeting (Quaker), 103 Marion Road (Route 6) in East Mattapoisett.

The items, including many suitable for framing, range from printed billheads to old checks, and from atlases of Plymouth and Bristol counties to a nearly complete journal by Gideon Devoll of Dartmouth on an 1849 voyage from New Bedford to San Francisco on the ex-whaleship *Otranto*.

There are 23 lots featuring postcards, some in bulk; lots of whaling ephemera, dozens of books, many published in the 1800's; and hundreds of American newspapers and magazines, many dating from the Civil War period.

• two orange and white bobtails

• two part Persians — one female smokey gray, the other all-black male (NOTE: please call 763-8788 if you're interested in the Persians)

• four all-white short-haired cats — one male, three females (all seven weeks old).

New adoptees available this week include:

• two short-haired tiger females (NOTE: please call Linda at 295-0081)

• two mostly white long-haired kittens, only five weeks old

• one short-haired fluffy tiger male with white markings (please call 758-2896)

• one long-haired mostly white female, about three months old

• one long-haired tiger (female), about eight weeks old (please call 758-2164).

Adult offerings for the week include:

• an all-white spayed female with gorgeous blue eyes

• a "Socks" look-a-like: black and white spayed female with double paws and has had all her shots

• a very distinct Calico with gray, brown, black and white — she has green eyes and is very clean and friendly (she was abandoned by her owner)

• an orange tabby, about two years old,

please call any of the aforementioned Animal Umbrella representatives.

From our private pet owner bin this week, we have the return of "Kitty." Unfortunately, "Kitty" was misidentified last week as a female, when he is actually a male. We hope he doesn't experience any identity problems due to our mishap. He's a semi-long-haired cat with a fluffy tail and is dark buff colored with an orange tint. He's four months old. He was abandoned when he was only five weeks old by someone who moved away and her current owner took her in. She's very fond of him but can't keep him.

"Kitty" needs a kind and loving person or family to live with. He loves gentle children and other cats. He needs a safe yard on a very quiet street. He's very frisky and loves to run and leap and explore. He's had all his shots and is box trained. If you're interested in giving Kitty a new home, please call 758-4459.

*The Wanderer* would like to remind other private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change in living arrangements, new babies, or the like. Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6) or mail it to P.O. Box 102, Mattapoisett, MA 02739. Please note: this is only for those who are giving pets away. Any trades or sales must be placed as a paid advertisement.

## ORRJHS Plans for Senior Thanksgiving Dinner

Plans are underway for the Third Annual Senior Citizen Thanksgiving Dinner to be held on Sunday, November 21 from 11:30 am to 2:00 pm at the Old Rochester Regional Junior High School. Tri-town senior citizens should plan on signing up at their local Council on Aging (COA) office. Fifty tickets are available for each center on a first-come, first-served basis. If you are in need of a ride, please inform your COA office when signing up for the event.

Bingo every Wednesday from 1:30 to 3:00 pm and crafts every second and third Tuesday from 1:30 to 3:00 pm. Both will be held at Village Court.

*Mattapoisett SHARE Celebration*

October 23 is SHARE Distribution Day from 12:15 to 1:15 pm at the Old Hammondtown School. It is also the second anniversary of the Mattapoisett SHARE program. In celebration of this, the "Friends" will be serving cider and doughnuts and cake for everyone who has ever participated in SHARE. It is not necessary that you be getting a food package on that day. Come and join us and sign up for miscellaneous drawings.

*Chicken Pot Pie Supper*

The Friends of the Elderly will be hosting a repeat of the delicious chicken pot pie supper which they had last Valentine's Day. This year it will be held on November 6 from 5:30 to 7:00 pm at St. Anthony's Church Hall. The cost will be the same —

## Mattapoisett COA

*Shut-Ins and Nursing Home Residents*

If you know of a person who is shut-in or is in the nursing home we would appreciate your calling us and letting us know. We are aware of a great number of such residents but would not like to miss anyone. Our Outreach volunteers make contact with these people at least once a month. Please call the COA office (758-4110) with any Mattapoisett residents' names that might like a visit.

*Volunteers*

We have happily had a few volunteers step forward in recent weeks, but are still in need of a few more. We need people to shop with the visually impaired when the van goes to the mall. We also need people to read to the visually impaired. This can be only one to two hours a week. They are unable to read the local papers, thus do not know about several programs that are offered.

*Tri-County Music Association Tickets*

We have several free tickets to upcoming concerts all of which will be in the afternoon this year. Please call 758-4110 or come in if you are an interested Mattapoisett senior.

### TOWN OF MARION
### Water Supply Notification

As a result of microbiological testing of the Marion water supply system, the total coliform bacteria in the amount of four per hundred ML was detected in the lower Point and Delano Roads area, which may affect residents southerly from the Delano Road area.

The Point Road water tank has been isolated from the water distribution system and has been chlorinated. The Water Department is also slowly flushing water from the end of Kittansett Point in an effort to remove any contamination. There is no necessity of seeking an alternative water supply. Consumers may wish to boil water until the situation is corrected.

The United States Environmental Protection Agency (EPA) sets drinking water standards and has determined that the presence of fecal coliform or *E-coli* is a serious health concern. Fecal coliform and *E-coli* are generally not harmful themselves, but their presence in drinking water is serious because they usually are associated with sewage or animal wastes. The presence of these bacteria in drinking water is generally the result of a problem with water treatment or the pipes which distribute water and indicates that the water may be contaminated with organisms that can cause disease. Disease symptoms may include diarrhea, cramps, nausea, and possibly jaundice and any associated headaches and fatigue. These symptoms, however, are not just associated with disease-causing organisms in drinking water. EPA has set an enforceable drinking water standard for fecal coliforms and *E-coli* to reduce the risk of these adverse health effects. Under this standard, all drinking water samples must be free of these bacteria. Drinking water which meets this standard is associated with little or none of this risk and should be considered safe. The Department of Environmental Protection and local health authorities highly recommend boiling water for two-to-five minutes before using the water for drinking, cooking, or any other consumption. The Marion Water Department will advise of further test results when the boil order can be lifted.

This advertisement has been placed by the Marion Water Department. If you have any questions, you may reach the Marion Water Department at (508) 748-3540. 10/22/93

## Veterans Day Exercises

The Florence Eastman Post #280 American Legion will hold Veterans Day Exercises on Thursday, November 11 at 11:00 am in the cafeteria of Old Hammondtown School. Guest speaker will be Col. Don Queeneville, Air Commander of the 102nd Fighter Wing at Otis Air Force Base, Falmouth, MA.

Post Chaplain Michael P. Lamoureux will provide the invocation. The Center School Third Grade Chorus, under the direction of Jean West, will offer several vocal selections and, once again this year, we are proud that the Old Hammondtown School Band, conducted by Stan Ellis, will be performing for all in attendance.

A PRAYER TO THE BLESSED VIRGIN
O most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God. Immaculate Virgin assist me in my necessity. O Star of the Sea, help me and show me here you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to secure me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in her hands (3 times). Say this prayer for three consecutive days and then you must publish, it will be granted to you. P.E.

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. P.E.

The proposed project is to reconstruct a single family dwelling on a flood foundation, install a holding tank and perform grading and landscaping within the 100 ft buffer zone. The project is located at 6 Dyar Road and is further identified as Lot 27 on Assessors Map 12A.
Daniel J. Bungert, Chairman
Mattapoisett Conservation Commission 10/22

## NOTICE TO MATTAPOISETT RESIDENTS

Water main flushing will be conducted October 25th, 1993 through November 12, 1993.

Flushing will begin October 25th at 8:00 pm until midnight. Flushing will be continued October 26th through November 12th during the daylight hours from 9:00 am to 4:30 pm.

Discolored or red water may be expected along with periods of low water pressure in some areas.

Locations most likely to be affected are those south of Route 6 extending from Main Street east to Aucoot Road and including Crescent Beach, Point Connett, Hollywoods, and Peases Point.

William T. Nicholson, Superintendent
Water and Sewer Department 10/22,10/29,11/5

## Folk Art Craft Show

On Sunday, October 24, from 10:00 am to 5:00 pm, a Folk Art Craft Show will take place at ORR High School on Route 6 in Mattapoisett. Cost for the event is $2, general admission; $1 for students and seniors; and FREE to children under 10.

The show is sponsored by the Mattapoisett Firefighters' Auxiliary and will feature some of New England's finest craftsmen exhibiting their skills and work. Bird carvings, dried flower arrangements, prize-winning quilts, twisted paper figures, hand-painted bird houses, and much more will be available to delight your senses! A light lunch and "morning break fair" will be served. For more information, please call Elaine Sylvia at 758-6548.

## St. Anthony's Parish — Mattapoisett

*Mass Schedule*

Saturday, 4:30 pm; Sunday, 8:00 am, 9:30 am, 11:00 am; Daily, 8:00 am.

*Religious Education*

Classes begin for Grade 1 on Tuesday, October 26. Calendars for the upcoming year may be picked up at the rectory or church entry. Parents' meeting for First Eucharist class will be held on Thursday, October 7, from 7:00 to 8:00 pm.

## Marion Council on Aging

*Flu Clinic for Marion Residents*

Flu Shots will be given on Wednesday, October 27 at the Sippican School cafeteria from 1:00 pm to 3:00 pm for anyone 65 years or older, or anyone with a chronic illness. No children, please. These shots are FREE to Marion residents.

Health experts are forecasting a severe epidemic this fall and winter and are recommending flu shots for senior citizens and others at high risk. Residents of nursing homes, chronic care facilities, and adults with asthma, emphysema, bronchitis, diabetes, heart conditions, or kidney disease are good candidates for flu shots. However, persons

## Marion Art Center

*David Baggarly Exhibit*

A one-person exhibition of paintings by David Baggarly is now on display at the Marion Art Center. David Baggarly grew up in Mattapoisett and attended ORR Junior and Senior High Schools. He received his BFA from the Maryland Institute of Art in Baltimore and is a professional artist now residing in Providence, RI.

Mr. Baggarly has been working for several years toward this exhibition in which he hopes to show "the whole artist" instead of just one aspect. The landscapes will be hung in the Cecil Clark Davis gallery and the personal expressions will be installed in the Patsy Francis gallery. Both galleries at the Marion Art Center are open to the public Tuesday through Friday, 1:00 to 5:00 pm and Saturday, 10:00 am to 2:00 pm. Admission is FREE.

*The Trip to Bountiful*

The Marion Art Center will present Horton Foote's "The Trip to Bountiful" on November 4-6 and 11-13 at 8:00 pm. The play will feature Kay Sweeney, Anne Schenck, Richard Pacheco, Jessica Shepardson, Jim Carr, Donn Tyler, Charlie Murphy and is directed by Christopher LeBlanc. For reservations, please call 748-1266.

*Membership Drive*

The annual membership drive is underway at the Marion Art Center. Current members are urged to renew, and new residents or others wishing information about joining the Marion Art Center should call the office at 748-1266. All donations are tax-deductible.
